Instructions for Completing Form ST-103P and ST-103MP for October and November 2000

October 26, 2000

Sales Tax on Motor Fuel has been reinstated as of October 25, 11:59 PM.

ST-103MP Instructions

For the month of October a form will be filed for the period of **October 1 to October 25, 2000**. This form will be completed the same as the forms for July, August and September. *This will include the sales of fuel that did not have sales tax collected.*

For the month of November (due in December), include all sales from October 26 to November 30, 2000. Any sales made from October 26th to the 31st, where sales tax is collected, will be shown on your November ST-103MP return along with your November sales. The calculation will be completed as it was prior to July, 2000.

ST-103P Instructions

For the month of October two forms will be completed. The first one will be for October 1 to October 15 and is due on or before October 25, 2000. These sales are prior to the reinstatement of sales tax.

The second form will be for October 16 to October 25, due on or before November 10, 2000. *This will only include the sales of motor fuel that **did not** have sales tax collected.*

For the month of November (due November 25, 2000), include all sales from October 26 to November 15, 2000. Any sales made from October 26th to the 31st, where sales tax is collected, will be shown on your November ST-103P coupon due November 25. The return will include all sales of motor fuel from October 26 to November 15. This calculation will be completed as it was prior to July 2000.
